INDEPENDENT AUDITOR'S REPORT

To the Board of Trustees of
The Epiphany School, Inc.:

We have audited the accompanying statement of financial position of The Epiphany School, Inc. (a Massachusetts corporation, not for profit) (the School) as of June 30, 2011, and the related statements of activities and changes in net assets, cash flows and functional expenses for the year then ended. These financial statements are the responsibility of the School's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position The Epiphany School, Inc. as of June 30, 2011, and the changes in its net assets and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

THE EPIPHANY SCHOOL, INC.
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2011

(1) OPERATIONS, NONPROFIT STATUS AND SIGNIFICANT ACCOUNTING POLICIES

OPERATIONS AND NONPROFIT STATUS

The Epiphany School, Inc. (the School) is an independent, tuition-free, middle school for children of low-income families from Boston neighborhoods. We admit children of diverse faiths, races, cultures, and cognitive profiles, believing in the Episcopal tradition that we find God in and through each other's presence.

Our small classes, individualized curricula, and extended school days provide rigorous academic, moral and social instruction. In close partnership with families, we are an innovative learning community that affords structured support to help students thrive. Together, we are a school that never gives up on a child.

We challenge students to discover and develop the fullness of their individual gifts. We seek to prepare graduates who will contribute intelligently, morally, and actively to the society they will inherit.

The School is exempt from Federal income taxes as an organization (not a private foundation) formed for charitable purposes under Section 501(c)(3) of the Internal Revenue Code. The School is also exempt from state income taxes. Donors may deduct contributions made to the School within the Internal Revenue Code regulations.

SIGNIFICANT ACCOUNTING POLICIES

The School prepares its financial statements in accordance with generally accepted accounting standards and principles established by the Financial Accounting Standards Board (FASB). References to U.S. GAAP in these footnotes are to the FASB Accounting Standards Codification.

Net Assets

Unrestricted Net Assets

Unrestricted net assets are those net resources that bear no external restrictions and are generally available for use by the School. The School has grouped its unrestricted net assets into the following categories:

Operating net assets – Consists of unrestricted resources available for the School's operations.

Property and equipment net assets – Reflect amount expended and resources available for property and equipment, net of related debt.

Board designated net assets – Represents funds set aside by the Board of Trustees to function as an endowment (Quasi-Endowment), which earnings will be used for retirement of long-term financing and other strategic expenditures (see Note 8). The use of these funds requires approval of the Board of Trustees.

Net Assets (Continued)

Temporarily Restricted Net Assets

Temporarily restricted net assets consist of amounts received or committed services which are designated by the donors for specific purposes. These contributions are recorded as temporarily restricted net assets until they are expended for their designated purpose.

Temporarily restricted net assets are available for the following as of June 30, 2011:

| | |
|-------------------|------------------|
| 232 Centre Street | \$169,307 |
| Time | 60,000 |
| Purpose: | |
| Landscaping | 45,892 |
| Scholarships | 34,553 |
| Special education | 16,703 |
| Urban achievers | 9,822 |
| Green fund | 7,711 |
| Technology | 7,065 |
| Library | 6,899 |
| Greenhouse | 5,547 |
| Other | <u>2,034</u> |
| Total | <u>\$365,533</u> |

Cash and Cash Equivalents

For the purpose of the statement of cash flows, cash and cash equivalents consist of demand deposits and highly liquid investments with an initial maturity of three months or less.

Pledge Receivable and Allowance for Doubtful Accounts

Pledge receivable consists of contributions committed to the School. Pledges are recorded at their net present value when unconditionally committed. The pledge receivable at June 30, 2011, is expected to be collected during fiscal year 2012 and is due from one donor. An allowance for doubtful accounts is calculated based on management's best estimate of the amount of uncollectible pledges. Estimates of uncollectible pledges are based on past collection experience together with a review of the current status of existing receivables. There was no allowance for uncollectible pledges at June 30, 2011.

Property and Equipment

Property and equipment are recorded at cost or, if acquired by donation, at fair market value at the date of acquisition. Major additions and improvements are capitalized, while ordinary maintenance and repairs are expensed as incurred. The cost and accumulated depreciation of assets sold or retired are removed from the accounts, and gains or losses are reflected in the statement of activities and changes in net assets.

SIGNIFICANT ACCOUNTING POLICIES (Continued)

Property and Equipment (Continued)

Property and equipment are depreciated using the straight line method over the following useful lives:

| | <u>Estimated Useful Life</u> |
|-----------------------------------|---|
| Buildings and improvements | 20 – 40 years |
| Computers and software | 5 – 7 years |
| Furniture, fixtures and equipment | 5 – 7 years |

Land is not depreciated.

Fair Value Measurements

The School follows the *Fair Value Measurements and Disclosures* standards. These standards define fair value, establish a framework for measuring fair value under U.S. GAAP, and expand disclosures about fair value measurements. This policy establishes a fair value hierarchy that prioritizes the inputs and assumptions used to measure fair value. The School values its qualifying assets and liabilities using Level I inputs. Level I inputs reflect unadjusted quoted prices in active markets for identical assets or liabilities at the measurement date. A qualifying asset or liability's level within the framework is based upon the lowest level of any input that is significant to the fair value measurement.

Investments

Investments are recorded at market value (see Note 2). The School's management values all investments, which are publicly traded, using observable, or Level 1, inputs.

Estimates

The preparation of financial statements in accordance with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reported period. Actual results could differ from those estimates.

SIGNIFICANT ACCOUNTING POLICIES (Continued)

Financial Aid

Financial aid is awarded to students who graduate from the School and go on to attend private high schools, which require tuition. Financial aid is awarded based on need.

Accounting for Uncertainty in Income Taxes

The School follows the *Accounting for Uncertainty in Income Taxes* standard which requires the School to report uncertain tax positions, related interest and penalties, and to adjust its assets and liabilities related to unrecognized tax benefits and accrued interest and penalties accordingly. As of June 30, 2011, the School determined that there are no material unrecognized tax benefits to report.

Information returns filed for the past three years remain subject to examination by the Internal Revenue Service and the Commonwealth of Massachusetts.

Subsequent Events

Subsequent events have been evaluated through October 10, 2011, which is the date the financial statements were available to be issued. There were no events that met the criteria for recognition or disclosure in the financial statements.

Revenue Recognition

The School recognizes donor designated contributions as temporarily restricted revenue and net assets when received or unconditionally committed by the donor. Unrestricted contributions are recognized as revenue when received or unconditionally pledged. Net assets released from restrictions represent transfers to unrestricted net assets as costs are incurred, time restrictions have lapsed, or services are provided satisfying the restricted purposes specified by donors.

Interest and dividends are recognized when earned. Gains and losses are recognized as incurred upon sale or maturities of investments or based on fair value changes during the period.

Program fees and all other revenues are recorded when earned.

Donated Services

Individuals and other organizations contribute goods and services to the School in support of various aspects of its programs. These were services, which are reflected in the accompanying financial statements based upon the estimated value assigned to them by the donating volunteers, agencies, or management, were valued at \$53,263 for the year ended June 30, 2011.

(3) PROPERTY AND EQUIPMENT

Property and equipment consist of the following as of June 30, 2011:

| | |
|-----------------------------------|--------------------|
| Buildings and improvements | \$7,520,371 |
| Land | 1,500,514 |
| Computers and software | 355,692 |
| Furniture, fixtures and equipment | <u>192,381</u> |
| | 9,568,958 |
| Less - accumulated depreciation | <u>2,314,082</u> |
| | <u>\$7,254,876</u> |

Depreciation and amortization expense was \$239,981 for the year ended June 30, 2011.

(4) EMPLOYEE BENEFIT PLANS

The School established a deferred compensation plan covering all qualified employees beginning after three months of employment. At the present time, the employee may defer an amount annually allowed by law. The School will match the employee's deferment up to one-third of 10% of his/her annual salary. For the year ended June 30, 2011, the School's contribution to the plan totaled \$18,127, which is included in the payroll taxes and benefits on the accompanying statement of functional expenses.

(5) LINE OF CREDIT

The School has available a \$400,000 line of credit with a bank. Any amounts drawn on the line of credit are payable on demand of the bank's prime interest rate, adjustable on the date of each change (3.25% at June 30, 2011). The line of credit is secured by all assets of the School. At June 30, 2011, there was no outstanding balance on the line of credit. The line of credit contains certain covenants which the School was in compliance with as of June 30, 2011. The line of credit is renewable each year in January.

(6) MORTGAGE PAYABLE

During fiscal year 2011, the School entered into a \$350,000 mortgage payable agreement with a bank to purchase property in Dorchester, Massachusetts. This note bears interest at a variable rate based on the LIBOR advantage rate plus the LA margin as defined in the agreement (3.19% at June 30, 2011). The School is required to make monthly payments of principal under the note in the amount of \$1,458, plus interest throughout the life of the loan. The loan maturity date is March, 2016, at which time any principal and interest outstanding must be paid. The mortgage is secured by the property. The mortgage payable contains certain covenants which the School was in compliance with as of June 30, 2011.

(6) **MORTGAGE PAYABLE** (Continued)

Future minimum payments under this agreement for the next five years are as follows:

| <u>Year Ending</u> <u>June 30,</u> | |
|---|------------|
| 2012 | \$ 17,500 |
| 2013 | \$ 17,500 |
| 2014 | \$ 17,500 |
| 2015 | \$ 17,500 |
| 2016 | \$ 275,625 |

(7) **CONCENTRATION OF CREDIT RISK**

The School maintains its cash and cash equivalents in various financial institutions insured within limits of the Federal Deposit Insurance Corporation (FDIC). At certain times during the year, balances exceeded the insured amounts. The School has not experienced any losses in such accounts, and believes it is not exposed to any significant credit risk on cash and cash equivalents. The School performs periodic evaluations of the relative credit standings and limits the amount of credit exposure with these financial institutions.

(8) **ENDOWMENT**

The School follows an investment and spending policy to ensure a total return (income plus capital change) necessary to preserve and enhance the principal of the fund and, at the same time, provide a dependable source of support for current operations and programs. The withdrawal from the fund in support of current operations is expected to remain a constant percentage of the total fund (3-5% of endowments average value over the previous twelve months), adjusted for new gifts to the fund.

In recognition of the prudence required by fiduciaries, reasonable diversification is sought where possible. Experience has shown financial markets and inflation rates are cyclical and, therefore, control of volatility will be achieved through diversification of asset classes and selection of investment managers of diverse investment styles. Asset allocation parameters have been developed for various funds within the structure, based on investment objectives, liquidity needs and time horizon for intended use.

Measurement of investment performance against policy objective will be computed on a total return basis. Total return is defined as dividend or interest income plus realized and unrealized capital appreciation or depreciation at fair market value.
